

EXCURSIONS to LAGO DEL DESIERTO

Lago del Desierto is hidden between impressive mountains and lush beech-tree woods 37 kilometers north of El Chalten. The outlet is Rio de las Vueltas that follows the valley reaching the town and later Lake Viedma.

Lago del Desierto – Boat Tour

ITINERARY

This excursion is a boat tour across the Lake, an optional hike, and all the information about the area, history, geography and other interesting information. A walk to the Centinela viewpoint can also be enjoyed. There are two daily services.
